The background is a photograph of a modern building's interior, likely the entrance hall of i3S. It features large glass windows and a wooden slatted ceiling. Several people are visible, some standing and talking, others walking. The image is overlaid with a blue semi-transparent graphic that includes large circular and semi-circular shapes. The text '1st MSc Open Day' is written in large, white, sans-serif font across the lower half of the image.

1st MSc Open Day
