UNIVERSIDADE
DO PORTO

The i3S consortium, headed by the University of Porto, brings together four institutions and \ researchers from several schools of the University of Porto. The i3S results from the long-term collaboration between IBMC, INEB and IPATIMUP, encompassing joint projects, co-supervision of PhD students, sharing of large equipment and employment of research staff under coordinated policies.

The wide participation of schools, research institutions and hospitals in a research institute is unique in Portugal and is a valuable asset for science and technology development.

i3S announces the opening of international calls for 8 doctorate research positions (4 at IBMC, 2 at INEB and 2 at IPATIMUP) of Principal and Assistant Researchers to perform duties of scientific research in the scientific area(s) of the i3S, namely Host Interaction & Response; Cancer; and Neurobiology & Neurologic Disorders, under a work contract with non-fixed term, within the project with the reference POCI-01-0145-FEDER-007274 / UID/BIM/04293/2013, financed by FEDER - Fundo Europeu de Desenvolvimento Regional funds, through the PT2020, and by Portuguese funds through FCT - Fundação para a Ciência e a Tecnologia/Ministério da Ciência, Tecnologia e Ensino Superior.

The full announcement is published at the websites of IBMC - www.ibmc.up.pt - INEB - www.ineb.up.pt - and Ipatimup - www.ipatimup.pt.

Candidates shall submit their application until the 29th November 2018.
